FISCAL IMPACT SUMMARY

H863 would require candidates for sheriff or selected appointees to provide information for a disclosure statement and a fee to cover the cost of a criminal background check to the North Carolina Sheriffs' Education and Training Statements Commission.

FISCAL ANALYSIS

Sheriffs are elected in even-numbered years to serve four-year terms. Assuming five candidates for office in each county, and a background check fee of \$48 per candidate, a total of 500 candidates would pay the fees over a period of four years for a total of \$24,000. This revenue would be used to off-set the cost to the Department of Public Safety of providing the background checks.
